Dear Mrs. Parlow,

Thank You for Your Kind letter
and, in advance, for all the
trouble I give You in
account of my appartement.

If You can not find some
thing with a view on trees,
well, I shall ~~live~~ live
like other honest people
in a street, but only in
a quiet street. —

If there is something convenient, go till 2 1/2, with breakfast.

I spend a few days here
as my family come from
the South to meet me.

Tuesday next I leave
for London (by Calais) and
shall be Wednesday at
5 o'clock in the afternoon
on the Charing Cross Station.

In case of necessity, I may
stay at the Hotel till we
find a convenient apparte-
ment, near a Tube Station.

Best love! L. Auer
